<b>END OF PROGRPM</b>				

**Lead India Foundation (DBA – Lead Foundation Global)** is a brainchild of 11<sup>th</sup> President of India **Dr. APJ Abdul Kalam's VISION 2020** and founded with a mission to provide affordable quality Healthcare, affordable quality Education, Preserve & protect the planet for future generations and Develop Spiritual Families to establish Peace & Harmony in the society. Lead India also conducts value-based leadership training programs to **Transform Youth into Responsible Citizens** and engage them in Developing the Nation.

After orbiting around the SUN for 83 times, Dr. Kalam left this planet on July 27, 2015, while addressing the IIM Shillong students on the topic of "Creating a Livable Planet Earth". Lead India Foundation is devoted to promoting our Peoples President Bharat Ratna Dr. APJ Abdul Kalam's vision and mission globally by collaborating with synergistic organizations. We are celebrating **Dr. APJ Abdul Kalam's 90<sup>th</sup> Birth Anniversary on October 15, 2021 and honoring on this occasion 90 Global SDG Warriors who are promoting Sustainable Development Goals of the United Nations.**

The COVID-19 pandemic has impacted the Global Healthcare, Education, Economy and Employment due to restricted mobility. Especially YOUTH are undergoing a lot of stress and losing hope since schools and colleges are closed. Lead India Foundation (USA) has been hosting a series of Webinars on the impact of COVID-19 to instill hope and encourage youth to be safe and be positive about their future. Through this Webinar Series, Lead India is bringing Global Experts to provide their expert guidance to address the COVID-19 impact on Healthcare, Education, and the Economy.

Lead India Foundation (USA) hosted DR. APJ ABDUL KALAM MEMORIAL GLOBAL WEBINAR on **SUSTAINABLE INCLUSIVE DEVELOPMENT: CHALLENGES AND OPPORTUNITIES for Healthcare, Education, Environment, Peace & Harmony, Economy, Employment and Empowerment of Youth & Women** on the occasion of Dr. APJ Abdul Kalam's 89<sup>th</sup> – 90<sup>th</sup> Birth Anniversary, yearlong Celebrations Inaugural session on Thursday October 15, 2020, at 5:00PM IST and Valedictory session on Friday October 16, 2020, at 5:00PM IST. The aim of this Webinar was to encourage speakers and participants to adopt and implement Dr. Kalam's Vision 2020 PURA [Providing Urban Amenities in Rural Areas] program for **Sustainable Inclusive Development**. This **24 Hours Webinar [actually took 37.5 Hrs]** with 148 speakers from 47 different countries held around the world continuously in 10 sessions which entered into the **World Book of Records**.

As a precursor to the **World Record Webinar**, Lead India Foundation launched an **Innovation Challenge for the Youth on Sustainable Inclusive Development** on October 2, 2020, to offer solutions for providing affordable quality Healthcare & Education, Protecting the Planet for Future Generations (Environment), Establish Peace & Harmony in the Society, Economic Development & Employment Generation, and Empowerment of Youth & Women. The winning solutions will be developed and deployed in the adopted areas for Sustainable Inclusive Development.
